

## A ROLLING STONE

A friend told me that I reminded her of the saying "A rolling stone gathers no moss."

I love being a rolling stone--always moving, no time for regretting or longing for the past, always in a new space and time. And I also like not gathering moss. Moss represents the past, mistakes not overcome, lack of aspirations, conformity. Yes, a rolling stone is a good way to live.

now  
resting...

but soon  
moving.
